System Requirements:

An Intel i3 processor 8 GB RAM 1 GB of available video memory NVIDIA GeForce 460 or equivalent An Intel i5 processor 16 GB RAM 2 GB of available video memory For optimal performance and responsiveness, we recommend 1280 x 1024 pixels and a screen resolution of 1024 x 768 or greater. There are over 15 million pixels on a full HD display (1920 x 1080). If you have a lower resolution, you may experience sluggish performance or choppy graphics. Features:
